

PREMIERS PAS AVEC BLUEMIND

Découvrez les bases du fonctionnement de BlueMind :

- Débuter avec le webmail
- Débuter avec l'agenda
- Débuter avec les contacts
- Débuter avec les tâches

The collage displays four key features of the BlueMind 3.5 web interface:

- Contact Management:** A screenshot of the 'Contacts' section showing a list of contacts on the left and a detailed view of a contact named 'BlueMind' on the right, including professional and personal information.
- Task Management:** A screenshot of the 'Tâches' (Tasks) section showing a list of tasks on the left and a detailed view of a task titled 'Appeler client Bordeaux' on the right, including due dates and priority.
- Calendar:** A screenshot of the 'Agenda' section showing a monthly calendar view for March 2016, with various events and tasks scheduled.
- Email View:** A screenshot of an email view showing a message from 'John Doe' with attachments, including a file named 'agenda_fonctions avancees...'.

A large blue '3.5' is overlaid on the top right of the collage.
