

PREMIERS PAS AVEC BLUEMIND

Découvrez les bases du fonctionnement de BlueMind :

- Débuter avec le webmail
- Débuter avec l'agenda
- Débuter avec les contacts
- Débuter avec les tâches

The collage displays four different views of the BlueMind 3.5 web application:

- Top Left:** The 'Contacts' view showing a list of contacts on the left sidebar and a detailed view of a contact named 'BlueMind' on the right, including professional and personal information.
- Top Right:** The 'Tâches' (Tasks) view showing a list of tasks on the left and a detailed view of a task titled 'Appeler client Bordeaux' on the right, with fields for title, date, priority, and status.
- Bottom Left:** The 'Agenda' (Calendar) view showing a monthly calendar for March 2016 with various events and tasks scheduled.
- Bottom Right:** The 'Messages' view showing an email thread with attachments, including a file named 'agenda_fonctions avancees...'. The email content mentions a presentation and provides a link to a video.

A large blue '3.5' is overlaid on the top right of the collage.
